

August 30, 2010

Dear Valued Customer:

Below is the updated fuel index effective September 1, 2010 through September 30, 2010. This index will be revised on a monthly basis.

Our air fuel index is now based on the prior four-week average of the USGC (U.S. Gulf Coast) per gallon price for *kerosene-type jet fuel* as reported by the U.S. Department of Energy.

The current MNX Express fuel index rate is 20.5% based on the prior four-week average of \$2.09 per gallon.

Air Fuel Index Table								
<i>Based on the prior four-week average of the USGC prices for kerosene-type jet fuel</i>
